Update to Payment History Report

An update was made to the CM/ECF Payment History Report. This report shows CM/ECF-related payments made by the current user for filing fees and various utility payments (Bar Admission, Pay Other Fees, etc.). There are no selection criteria. If a document is associated with a fee payment, the fee description is a hyperlink to the document(s).

In 1.7, an enhancement was added: For payments where multiple documents were attached, the number of documents will follow the Fee Description in parentheses. E.g., Agency Pet With Fee (2) means that the user uploaded two documents when paying this fee. When the user clicks on the link, they will see a list of the documents attached.
